Data protection consent

Declaration

The operation of a library is not possible without the processing of personal data. I hereby consent to the processing of my user and usage data necessary for operational purposes (cf. User Regulations, § 5, available in German only for legal reasons) by the Göttingen State and University Library and the underlying basic services of the University of Göttingen. For inter-library loan purposes, part of user data (name, address and user number) need to be imparted to other libraries and temporarily processed there. I hereby consent to the imparting and processing of my user data for inter-library loan purposes. I may revoke my consent at any time in writing.
